VALLEY HOTEL

March 12-14th 2026

WSST.ORG

GUIDE TO EVENTS

Lunch/Speakers (FRI, Noon):

- Enjoy a meal while listening to special guest speakers. Pre-registration for lunch required, the speaker is free to attend.

Vendor Social (TH, 4PM):

- Kick off the conference with free snacks and beverages in the vendor hall. Explore booths and socialize with WSST members.

Rock Raffle (TH, During Vendor Social):

- Purchase tickets to win rock samples from the Wisconsin Earth Science Teachers Association (WESTA) for your classroom or collection.

Bingo Card:

- Get a Vendor Hall Bingo Card at the Vendor Social, collect stamps from booths, and enter the Town Hall Raffle to win prizes. Must be present to win.

Equipment Adoption

- Bring unused equipment to donate and take home items you can use in your classroom.

President's Social (TH, 6:15 PM)

- Join us Thursday night for free food, beverages, and fun with WSST members after the Vendor Social.

Exploratorium (FRI, 1PM):

- Support future science teachers as they present interactive labs and activities on Friday afternoon in the Vendor Hall.

Town Hall (FRI, 4PM):

- Come hear from our President, CFO, and COO about the state of WSST. And don't forget: You need to be in attendance to win prizes from submitting your Vendor Hall Bingo Card!

Milton Pella Banquet and Awards Ceremony (FRI, 6PM):

- Join us for dinner to celebrate the winners of WSST Awards including the announcement of the Ron Gibbs Award winner. Pre-registration and fee required. Can attend banquet without a meal at no cost.

TYPES OF SESSIONS

SESSION

A 50-minute or 110-minute session, presented by members and vendors. Can be presentation or hands on learning. Pre-registration not required.

ROUND TABLE

An "informal" discussion based on the topic or group. Agenda and discussion driven by those who attend.

FIELD TRIP

Explore different locations of interest in the area. Requires pre-registration or registration as available at conference, may have a fee to attend.

MEMBERSHIP PERKS

Access to a statewide network of science teachers for resources, ideas and support.

A strong voice on issues that concern science education.

Monthly Newsletter with professional development opportunities, resources, social events, and more.
